

**STEP 7: Create a report**

The screenshot shows the SURFOX web application interface. At the top, the SURFOX logo is displayed in orange, followed by the text "Electrochemical weld cleaning system for stainless steel". To the right of this text are links for "MY ACCOUNT", "CONTACT US", and "SIGN OUT", along with a language dropdown menu set to "English". Below this is a navigation bar with four tabs: "Customers", "Contacts", "Projects", and "Testers". The "Projects" tab is currently selected and highlighted in orange. A mouse cursor is pointing at the "Projects" tab, and a blue callout box with the text "Click on 'Projects'" is overlaid on the cursor. Below the navigation bar, there is a search bar with a magnifying glass icon and the text "Search". Below the search bar is a form with the text "+ Enter new customer name" and a "Save" button. To the right of the search bar, there is a list of customer projects. The first project is "KOPPER Metal Finishing", which has "1 projects, 1 contacts" listed below it. The project name is next to a circular logo with "KOPPER" at the top and "Finishing" at the bottom. To the right of the project name is an "Archive" link. The word "Customers" is also visible on the right side of the interface.

The screenshot displays the SURFOX web application interface. At the top, the SURFOX logo is accompanied by the text "Electrochemical weld cleaning system for stainless steel". Navigation links include "MY ACCOUNT", "CONTACT US", "SIGN OUT", and a language dropdown set to "English". A main menu contains "Customers", "Contacts", "Projects", and "Testers".

The "Projects" section is active, showing a search bar and "Active" and "Archive" tabs. A project entry for "Kopper Metal Finishing" is displayed with the following details:

- Email: admin@koppermetal.com
- Phone Number: 514-630-2800
- Address 1: 276 7th Avenue
- City: Montreal
- Country: Canada
- Province/State: Quebec
- Postal Code/ZIP: G5J 3G4

Below the form is the Kopper Finishing logo. To the right, a "Projects" list shows a project titled "Pharmaceutical tanks" with a thumbnail image and the name "Smith John". A callout box with the text "Select the project" points to the project entry.
